S&S WORLDWIDE SPONSOR COLCHESTER FAMILY GAME NIGHT

S&S Worldwide and Colchester Parks and Recreation partner to bring Family Games Night to Colchester!

The Colchester Town Hall will host Family Games Night from 5 p.m. to 7 p.m. on Feb. 27. This time-honored tradition, sponsored by S&S Worldwide and Colchester Parks and Recreation, will feature a variety of age-appropriate board games to introduce children to classic family fun.

Thanks to the generosity of S&S Worldwide, games like Monopoly, Pay Day, Sorry, Trouble and Yahtzee will be available. Participants have the option to play as a family or as a team against their neighbors. In addition, S&S will provide pizza, snack and drinks.

“Family Games Night is very near and dear to us,” said S&S Co-President Hy Schwartz. “Helping people play and learn is what we’re all about, and board games accomplish that. They also bring families together. We’re proud to share some of our best games and we look forward to enjoying some great family fun!”

Although this special event is free, you must pre register your family before Feb. 24. Let your friends and neighbors know about it, then call Parks and Recreation at 537-7297 to register!
