

# PINKOUT

 to support the **National Breast Cancer Foundation, Inc.®**

Put the FUN in Fundraising with these Great Pink Out Activity Ideas!

## Team Activities

Organize a tournament with any of our new pink products! Play Indoor Soccer (Gator Skin® Special-8), Ultimate Frisbee, Basketball (3-on-3 or 5-on-5), Dodgeball or Kickball! You can even set up a Field Day-style circuit and use them all! Each team or person pays an entry fee that can be donated directly to the NBCF. Raise even more money buy having teams design, print and sell their own pink t-shirts to fans or their team and to show your support.

\*Official World Kickball Association (WAKA) rules are available free for download at:

<http://www.kickball.com/rules>.

## Pink Sale

Buy each of our NBCF items and put them on display in a high traffic location at your facility. Add an extra \$1 or \$2 to our prices and have people pre-order them at that cost. Donate your profits directly to the NBCF. This way, the NBCF will receive a donation from both your organization and S&S, since we also donate based on our sales!

## Pink Raffle

Purchase a few or all of our pink NBCF products and simply sell raffle tickets to win. Donate your profits directly to the NBCF.

## Art Event

Incorporate other S&S items into your event. Hold an art event where people decorate banners with a Breast Cancer Awareness theme using our AP121 Color-Me Banner Easy Pack or other products such as FA3374 Color-Me Bucket Hats, GP1942 Color-Me Bandannas or FA3373 Color-Me Backpacks. Sell raffle tickets as an entry fee with profits going directly to the NBCF. The raffle prize can be a pack of all our NBCF pink products!
